

MADRAS COSMOPOLITAN ROUNDTABLE 94 PROJECTS

ROUND TABLE INDIA is a non-political, non sectarian organization of young men between the ages of 18 and 40. Round Table India is a part of Round Table International and World Council of Service Clubs. We have Tables spread throughout the length and breadth of the country. We have around 160 tables with a total membership of around 2500. Round Table encourages its members to take an active intelligent approach to good citizenship, to accept and display civic responsibility and to promote high standards in business and professional life. The members are elite business community people, who have a sense of commitment for community development work

ROUND TABLE INDIA is presently undertaking construction of school buildings all over the country. We have constructed and donated 14 schools at the earthquake affected State of Gujarat. We have in the past also earlier donated Rs 51.00 lacs to the Army Central Welfare Fund towards KARGIL FUND. Our long term project of "FREEDOM THROUGH EDUCATION" is being implemented through various Tables by constructing school buildings all over India. As on date, we have completed construction of around 1000 schools with an outlay of 75.00 crores.
